EXPERIENCE

Assistant Manager, Value Management

08/2024 – Present

Carlsberg Brewery Company Limited · Hong Kong

- **Strategic pricing & portfolio management:** Develop data-driven pricing strategies and optimise product portfolios across on-trade and off-trade channels to maximise profitability and market competitiveness.
- **Commercial analytics & insights:** Analyse sales performance, execution and promotional effectiveness in Power BI, including pack performance and sales-channel evaluation, and turn results into actionable recommendations.
- **Cross-functional alignment:** Work with sales, channel marketing and senior management to align strategic objectives, drive growth initiatives and strengthen brand visibility in Hong Kong and Macau.

Assistant General Manager (04/2021 – 04/2024)
Operations Manager (10/2018 – 03/2021)

10/2018 – 04/2024

Moonzen Brewery Company Limited · Hong Kong

- **Cut reporting time 25%** by designing and implementing data extraction processes, improving the accuracy of business insights.
- **BI dashboards:** Built and maintained Power BI dashboards giving real-time visibility of key performance metrics for strategic and operational decisions.
- **Cross-functional reporting:** Partnered with supply chain, production, sales and marketing teams to define reporting needs, improving alignment and business outcomes.

Business Planning Manager

04/2018 – 10/2018

Jmatek Limited · Hong Kong

- **Saved 25% of reporting time** by automating financial and POS reports, improving data accuracy and data management practices.
- **Lifted overall efficiency 10%** by identifying and leading process improvements across data processing and analytics workflows.
- **Data visualisation:** Built dashboards and visualisations that communicated complex insights clearly to stakeholders.

Business Analyst, Global Corporate Planning

03/2014 – 10/2017

Group MIKI Holdings Limited · Hong Kong

- **Improved forecast accuracy 12%** by cleaning and analysing historical sales data and market trends to support strategic planning.
- **Contributed to a 16% revenue increase** by supplying accurate analysis and insights to projects, enabling better data-driven decisions.
- **Data governance:** Prepared and maintained technical specifications and documentation for data management practices, keeping them clear and consistent across the organisation.

Assistant Corporate Planning Officer (04/2013 – 03/2014)

Corporate Planning Executive (10/2010 – 03/2013)

10/2010 – 03/2014

S.F. Express (Hong Kong) Limited · Hong Kong

- **Raised efficiency 20%** by streamlining data extraction and reporting, improving data accuracy for strategic planning.
- **Pre-sales & tenders:** Analysed sales data to drive pre-sales activity and improve tender hit rates.
- **Executive reporting:** Prepared and presented executive-level reports and dashboards that improved decision-making across departments.

Executive Assistant to CEO

01/2010 – 10/2010

Shelter & Census Group · Hong Kong

Executive support to the CEO.
